APPENDIX II

Vessel, Cargo and Passenger Information and Manifest Submission

In accordance with the Canada Marine Act, Part 4, Ships and Cargoes, at least 24 hours before a vessel enters the Port of Halifax, the owner, operator, agent, or person in charge of the vessel shall provide the following information to the Halifax Port Authority:

- (a) the name of the ship, its port of registry and its identification number as it appears in the *Lloyd's Register of Shipping* or on the ship's certificate;
- (b) the name of the owner, the master, and the agent of the ship;
- (c) the gross tonnage of the ship and its length overall;
- (d) the port from which and the date on which the ship began its voyage;
- (e) the estimated time of arrival of the ship in the port;
- (f) the estimated draught of the ship on arrival in the port and on departure;
- (g) the description, quantity and tonnage of dangerous goods that are in transit on the ship or that will be loaded, unloaded, or transferred in the port, in the form provided by the port authority;
- (h) the description, quantity, and tonnage of goods to be loaded, unloaded, or transferred in the port;
- (i) the number of passengers in transit on the ship, embarking on the ship or disembarking from the ship;
- (j) if the ship is not engaged in cargo or passenger operations, the purpose of the ship's visit to the port;
- (k) the last port of call of the ship and its next intended port of call; and
- (l) any other information requested by the port authority and relevant to assessing the likelihood of the occurrence of any of the results prohibited under section 5 or to the management of the marine infrastructure and services of the port in a commercial manner.

The owner, operator, agent, or the person in charge of the vessel shall provide the Halifax Port Authority with the description, quantity and tonnage of the cargo loaded, unloaded, or transferred at each berth, terminal, or anchorage within 24 hours after the loading, unloading or transferal. The information shall be provided by delivering it by hand in the form of a certificate, facsimile, or electronic transmission. The Halifax Port Authority may charge a processing fee for information not provided by electronic transmission in an acceptable EDI/API format of \$0.70 per record for non-edi submission or \$55.00 per vessel port call for terminal handling data in absence of information.
